PRINCIPAL’S REPORT

Gates open at 8.30am!

As you can appreciate, supervision of our students remains crucial to our organisation to ensure that all students are safe at all times. Sending your children to school before 8.30am has the potential to place them in an unsafe situation. Teachers, as part of the work agreement, do not start duty until 8.30am in the mornings – if your child is here earlier, they will be unsupervised and potentially unsafe. We ask if they are here earlier than 8.30am – hopefully not – that they sit on the stage underneath the COLA until the bell goes. Please ensure your children get to school at 8.30am or afterwards.

The same can be said for all of the other gates. There is one pedestrian gate open before 8.30am, right at the front of the school. We don’t open the other gates until 8.30am because it gives the children the opportunity to not assemble in the right area (underneath the COLA) if they arrive before 8.30am.

They may not all be open at exactly 8.30am either, we have a very big and difficult school site to navigate and it does take time to get around to all the gates. Your
patience and understanding in this matter is greatly appreciated.

**P&C Meeting**

Our first P&C meeting on Monday 9 February was well attended with around 12 parents coming, and I must say it was a very productive and friendly atmosphere, and I enjoyed speaking to all of the parents before and after the meeting. Our next meeting is the Annual General meeting and will be held on **Tuesday 10 March, starting at 9.15am in Lidbury Hall**, directly after our K-6 assembly.

**Special Religious Education**

Special Religious Education (SRE) classes will commence on Tuesday 3 March and will continue on Tuesday afternoons until the 24 November 2015. SRE classes are available for Anglican (Kindergarten, Years 1&2, Years 3&4 and Years 5&6), Catholic (Kindergarten, Years 1&2, Years 3&4, Year 5 and Year 6) and Muslim students (Kindergarten, 2 Year 1 classes, Year 2, Year 3, Year 4, Year 5 and Year 6) and they are taught by members of the community who have their religion’s approval to teach.

Placement into SRE classes is based on the information that you have provided to the school. If you wish to have your child included or withdrawn from an SRE class, please provide a note to the office for Mr Lewis.

**Website & School App**

We encourage you to keep an eye on our school website www.lidcombe-ps.schools.nsw.edu.au and to become involved in our school and work with us in the interests of your child’s education. We have also purchased a “School App”. All you need is an iPhone, iPod Touch, any smartphone android device (eg Samsung) or an iPad, and then download the free “School App” to your device. Having a school app will revolutionise our communications with our community. It will be a notification type service, that will allow you to get updates, reminders and even our school newsletter!

Get into the App store on your phone or device, put into the search engine “Lidcombe Public School”. Our school logo will come up straight away, so press the button to install.

Once it is installed, you will need the username and password to get into the information provided on our school app.

User Web Portal, iPhone App and Android App
username: community
password: lidcombeps

We have also launched a Facebook page called “Lidcombe Public School”. Many of you have already liked our page which means of course, you will get all of our messages and updates. If you haven’t liked our page yet, just put into the search engine “Lidcombe Public School” and it should be the first item that comes up, select it and you be on the Facebook page to like it.

Considering the many challenges and opportunities being experienced at the school and our relentless pursuit of school improvement it’s going to be another interesting and rewarding year at Lidcombe PS. Details of our 2015 priorities and School Management Plan will be communicated to you through the school website, newsletters and special bulletins as the year progresses. Our initial priorities are to establish our classes and to confirm our staffing entitlements.

**Platinum Awards**

Being Green suggests that your child is behaving very well and is doing what our teachers expect of them in the classroom and the playground. These awards in its current format have been running for over a year now and over the last couple of weeks we added 5 new people to our list this year plus there were 2 from the end of last year that we also need to recognise. They were:-

Hannan Sleiman and Leo Weng (Last year), Wendy Chen 2M and Jessica Lin 1B (week 2) and Justin Choi 2m, Samuel Kim 2B and Alex Hummelshoj 2B (this week). Hossam Al-Ubudi joined the photo this week upon receiving his Gold award as well. Well done everybody!
Medical Issues
As a reminder, we have a few children who have an extreme allergic reaction (which can be life threatening) to peanuts and other nuts. This means that this child cannot come into contact with other people who have eaten nut products (eg. Nutella, peanut butter, any types of nuts or any foods that contain nuts or nut products.) I realise that the school can never really be nut free, but I’m sure that all parents can be very vigilant about this problem and not send their children to school with anything that contains nuts, including home made birthday cakes etc. This way, we will become nut-aware. It is a challenge for us at school as well as our community, but I am confident that everyone will pull together to make our school a safe place for every child.

As a rule anyway, if your child does present as ill before they come to school, it is better that you keep them at home, so as not to spread the disease throughout the school. We respectfully request that all children and parents of Lidcombe PS follow these guidelines over 2013 and beyond. If you have any enquiries regarding this, please contact me at the school office.

Excursions and School Performances
During the year the students will be provided with opportunities to participate in excursions, visiting performances and other activities that cost money. These activities are very important to the overall education of your child(ren) and therefore it is expected that all children involved will attend. If parents require assistance with payment for any of these activities, please speak to Mr. Lewis.

Lifeskills program
For a while now, I have been thinking that we cater for our students very well academically and extra curricularly, but what about their mental wellbeing?? Not only do we want to develop literate, numerate and capable citizens at Lidcombe PS, we want to ensure that they have the skills to remain happy, upbeat and confident. At the end of last year, the staff were inserviced by Lifeskills Group who showed us a variety of techniques they use to improve student wellbeing. Life Skills Group offer interdisciplinary PDHPE / Mindfulness / Wellbeing and accredited Professional Development (BOSTES) programs that are non-competitive and curriculum based.

Their fundamental movement programs focus on physical, social, emotional and attentional self regulating strategies and skills, developed to systematically cultivate wellbeing, resilience and lifelong learning, providing healthy skills for our students physical, social, emotional and mental wellbeing.

Through cross-sectional research and validated classroom pedagogies, Lifeskills Group combine:
- **Fundamental movement / games / yoga / mindfulness and FUN**
- Positive psychology
- Cognitive affective neuroscience with scientifically proven mindfulness activities and
- Solid research into child development and social emotional learning

Lifeskills Group’s programs teach students how to:
- Build resilience
- Develop self regulation
- Increase self awareness
- Practice positive relationship skills
- Strengthen problem solving skills

Their programs also address issues such as childhood obesity, bullying, peer pressure, negative body image, family breakdown, stress and performance anxiety issues commonly faced at school.

All programs include:
- Provision of fully screened, qualified and professional staff
- Weekly awards and end of term certificates
- Class plans, assessments and outcomes
- **Free family Day**
- Individual reports at the end of term
- Set up and supply of quality equipment
- BOSTES accredited 8 hours to Proficient Teacher level for your staff
- Certificate of currently $10 million Public Liability Insurance

For more information please visit their website at: [www.lifeskillsgroup.com.au](http://www.lifeskillsgroup.com.au). Please click through to view what the students think of the program: [https://www.youtube.com/watch?v=BBHkd83rPxA](https://www.youtube.com/watch?v=BBHkd83rPxA)

I would like to discuss this program at our next P&C meeting on Tuesday 10 March at 9.15am in Lidbury Hall. I actually think that this may be a crucial program that all students need to be a part of at some stage of their school career.

Closing the main school gate
If you are visiting the school during school hours and coming through the main school gate, please make sure the gate is closed behind you when you enter and when you leave to avoid a quick and easy exit for some of our younger students.

Our new mural
Some of you would remember that last year, we wanted to commemorate International Children’s Day with something special for the children. It was actually a lovely thought mentioned to us by Mrs Lopes (Andy,
Melanie and Jason’s mum) and we thought “what a great idea!”

I then spoke to a fabulous artist I knew, Sam Newstead, and she had some great ideas to present to me. Unfortunately, because of our new finance system, payments weren’t received on time and our project was delayed. Later in the year, everything did go through and we decided to get to work. It was our idea to have something that reflected our school and the many different cultures that make up the wonderful tapestry we call Lidcombe PS. We had students designing the student representations you see on the mural, students painting the background and the words on the boards, as well as painting themselves on the mural under the superb tutelage of Sam Newstead. Over 640 students from 2014 are represented on this wonderful mural.

It was finished just before Christmas but Sam had a job elsewhere and promised to come back early this year to put it all up. With the help of her partner John and our resident strong man, Iti Fanene, the mural was placed on the back of the hall, a superb feature in our school that can be seen by many coming through the back school gate or parking in the RTA. We thank Sam for all of her hard work and dedication to the students of this school because the end result is just fantastic! Look out for the next time Sam is in, as we currently discussing another couple of projects within our school.

Mobile Phones
While it is accepted that mobile phones play an important part in modern life and communications, it is important that all staff, students and parents accept that their use during class time and on various other occasions at school is inappropriate.

If mobile phones are to be brought to school by students, they need to be switched off and left in their bags until 3pm or better still, left at the office.

Parents and carers must give written permission for students to bring mobile phones to school.

The school will not accept any responsibility for a mobile phone being lost or damaged.

School Swimming Carnival
Our swimming carnival will follow the tremendously successful model from the last few years, the Water Sports Day.

All children in Years 3-6 will be attending our swimming carnival down at Ruth Everuss Pool. The morning session will focus on the races needed for representatives to go on to our Auburn Zone carnival and then for the rest of the day, focus will shift to students placed in groups to learn aspects of water safety in the pool. We feel this will be of most benefit to all students. Our carnival will take place on Wednesday 25 February 2015 - the note has already been sent out.

With this note, it is very important that you read all of the information and place your child in the most applicable group that applies to their swimming ability – beginners, intermediate and advanced. Beginner and intermediate groups will still be able to touch the bottom of the pool without going under, but the advanced groups will be learning in the deep water – we will be testing their ability to take part in the advanced group as well as highlighting what group each student is in with a very brightly coloured wristband. Of course, you are more than welcome to attend, even help out on the day.
As we are walking down to the pool, **all children must wear closed in shoes on the day, no thongs !!!** If students do not bring proper shoes to walk in they may not be permitted to go.

Should you misplace your note please go to our school website and download a replacement note.

**Summer PSSA Sport**
We are also entering into Summer PSSA sport this year. The sports on offer are:
* Junior and Senior Cricket
* Junior and Senior AFL (Aussie Rules)
* Senior Boys and Girls Softball
* Junior Boys and Girls T-ball

Trials have now concluded and your child (if they have made a PSSA sport) will need a permission note signed by you to participate, they will need to sign a code of conduct sheet and pay the PSSA sport fee (one off payment for the term) before the season commences. Summer PSSA sport will commence on Friday 20 February 2015 (tomorrow).

**High School Forms**
We will be holding a High School form information night on **Monday 9 March 2015 at 6pm** in the Hall. At this information session, we will hand to you the High School forms and explain to you how to fill them out. The tips and hints we give you at this meeting are crucial if you want to have the best chance of sending your child to the high school of your choice. Please ensure at least one parent is in attendance if your child is in year 6 this year.

**House Captains and Vice Captains 2015**
Congratulations to the following students for gaining selection of House Captain and Vice Captains for their houses. It is indeed a great honour to lead your sporting group.

**SCHOOL TIMES**

**Students MUST NOT arrive at school before 8:30 am and must leave promptly at 3:00 pm**

Parents are reminded that school supervision exists between 8:30 am and 3:00 pm. A Before and After School Care facility is provided on the school site for parents needing child minding. Contact 9749 2817 after school hours for further details.

Leaving students unsupervised on school grounds has legal implications for both the school and parents.

Access to the school is only possible via the pedestrian gate near the sandpit (Mills Street) during school hours. All visitors must report to the school office. Unauthorised persons on school premises are considered to be trespassing and will be reported to the police.

---

**ATTENTION: PARENTS, COMMUNITY MEMBERS OR DRIVERS OF ANY CARS**

We need to draw your attention to the following safety issues:

- **Parking:** Park only in the designated zones, parking in the “No Stopping” area will result in a large fine. Vehicles incorrectly parked obstruct the view of people waiting to cross at the zebra crossing. **IF WE CAN’T SEE THE DRIVER, HE/SHE CAN’T SEE US EITHER.**

- **Parking:** Park your vehicles within 30 cm of the kerb. There are too many vehicles parked further from the kerb which is a big hazard for road traffic, making it difficult for other drivers to pass safely in our high peak times.

- **Vehicles on the crossing:** Drivers approaching the crossing please allow 5 metres space between the front of your bumper and the first white lines of the crossing. RTA recommends this distance for a safe crossing. There are several drivers coming to a stop too close to (or on top of) the zebra crossing lines.

- **Unless you have a disabled card that gives you authority to park in a disabled parking spot, under no circumstances can you park in the disabled car park spot directly opposite the main schools gate on Mills St. Please leave this space clear for those who need it.**

- **Children in vehicles:** Parents please help your children enter and exit from your vehicles from the kerb side passenger doors at **ALL** times if possible. It is very dangerous to allow them to get in/out on the road side.

Given that a child was seriously injured just last year at a neighbouring school, it is probably about time that everybody took safety on the roads around our school very seriously! I know that a large majority of you do and you are to be applauded for your positive role modelling of how to take care of all pedestrians when in your cars, but unfortunately, there is a very small minority who still think they can do whatever they want, whenever they want, and this includes breaking the law. This attitude has to stop – will it take something serious to happen in our school community for people to wake up? – I hope not!

Thank you to everyone who is being a patient and considerate driver or pedestrian around the school zone and crossing, our children will remain safe and happy with everyone’s continuing efforts.

*Mr Lewis – Principal*

**SMOKING IS PROHIBITED ON SCHOOL PREMISES**
This newsletter Lachlan Manalo from K Orange is our focus of 60 seconds with Mr. Lewis.

Name: Lachlan Manalo  
Class: K Orange  

What sports/games do you play? I play a motorbike game on my iPad.  
What would you like to be when you grow up? I want to make toys and jellybeans.  
Best piece of advice you have ever received? Dad says I have to do writing all the time.  
Favourite thing to do? Playing games inside.  
Favourite school subject? Science.  
Favourite colour and number? Red and 5.  
An interesting fact about yourself. I play the piano, it’s easy for me.  

Thanks for spending 60 seconds with Mr. Lewis, Lachlan!

My name is Nathan Su and it is an honour to be teaching at Lidcombe Public School. I have been teaching for only 6 months and graduated last December from the University of Western Sydney (UWS) with a Master of Teaching (Primary) degree. I have previously taught at Parramatta Public, Westmead Public and Baulkham Hills North Public.

I am really passionate about football (soccer) and I love to both watch and play it. I play indoor soccer twice a week and will be playing outdoor soccer this year as well. My favourite part of teaching is the joy that comes when a student understands or learns something new. I look forward to working with everyone at Lidcombe Public School.

My name is Roa Hendy and I am very excited and honoured to be joining Lidcombe Public School. I am joining the Stage 2 team, teaching S2 Cook for the first 7 weeks of term. I have a Bachelor of Arts degree, majoring in English, Text and Writing, which I completed at University of Western Sydney (UWS). I also completed my Masters of Teaching (Primary) at UWS. I have been teaching since 2013 and have taught at many different schools across Western Sydney. I have gained much experience and knowledge and am thoroughly enjoying the start of my career.

I am enjoying my time at Lidcombe Public as it is a lovely school community. I would like to thank the staff who have been extremely welcoming and supportive and the students who are a pleasure to teach. I am looking forward to the rest of the term and am delighted to be part of the community.
Laura Delli-Pizzi

My name is Laura Delli-Pizzi and I am very excited to be joining Lidcombe Public School this year as part of the RFF team. Since completing my Bachelor of Arts degree in 2007 and Master of Teaching (Primary) degree in 2009, I have had the opportunity to teach in many schools, including a school in Malaysia. I have worked as a Class Teacher, English as a Second Language (ESL) teacher and a Learning and Support Teacher (LAST). Probably the craziest thing I have ever had to do as a teacher is dress up in a huge inflatable banana suit. I have never forgotten how fun that day was!

I love teaching because it is wonderful to help students discover the world and achieve beyond their dreams. I always encourage my students to try their absolute best in their learning- mistakes can be fixed and learned from, but no one can learn if they don’t try. I also enjoy helping students to become involved in extra curricular activities. I have taught debating teams and swim scheme lessons and this year will be helping with the SRC at Lidcombe. I am looking forward to a wonderful year in this great school community.

Julie Corkery

My name is Julie Corkery and I am very pleased to join the CL and RFF team at Lidcombe Public school. I am an experienced teacher with qualifications in both Primary Teaching and Special Education. I taught for over thirty years as a full time classroom teacher for the NSW Department of Education and Training. I have taught all stages from Early Stage 1 to Stage 3.

Since 2010 I have been working part time as a support teacher and doing casual teaching at various schools. I have extensive experience supporting students in literacy and numeracy programs. I have supported students with additional learning needs as well as gifted and talented students. Teaching is one of the great joys of my life.

After working as a casual teacher at Lidcombe Public School during 2013 and 2014 I was delighted to be given the opportunity to join the RFF team this year.

Sandy Mo - Classroom Teacher of 1Waratah

My name is Sandy Mo and it is a pleasure to join the Lidcombe Public School team. It is great to be part of such a wonderful school community where students, parents and staff learn and work together harmoniously, positively, and productively. I would like to take this opportunity to introduce myself. I completed a Bachelor degree in Primary Education at The University of Sydney. I am also a qualified teacher of ‘English as a Secondary Language’, and have previously worked as an ESL teacher in other schools. What motivates me most is seeing students reach and exceed their potential within a happy, positive and safe learning environment. I look forward to working with everyone at Lidcombe Public School.

P & C MEETING

The first meeting of the Parents & Citizens Association was held on Monday 9 February. Minutes from this meeting will be available on the school website soon. The next meeting will be held on Tuesday 10 March starting at 9.15am in Lidbury Hall (next to the Uniform Shop). This meeting will also be the AGM where you committee for 2015 will be elected.
28 MARCH – ELECTION DAY SAUSAGE SIZZLE/CAKE STALL

As you will be aware there is a State Election coming up on Saturday 28 March. As usual the P & C will be holding a Sausage Sizzle and Cake Stall to raise funds for our school. For the day we will be needing parents to help cook/sell sausages etc and we will also be asking for homemade cakes/biscuits etc to be made by our families. Make sure you mark this date in your calendar.

SCHOOL UNIFORM

Legionnaire hats are now back in stock and are available for purchase from the Uniform Shop. We are still waiting on arrival of size 6/8 polos, this should in the next few days, fingers crossed!

Further to our dilemma with dresses and culottes, we are presently in negotiations with a family company in Victoria to resupply us with these items. Hopefully, these discussions will continue to be positive, we will keep you updated.

SchoolAtoz – Communicating with your School

Communication is probably one of the most important parts of the relationship between the school and home. Staying in contact with your child's school is really important. To read more about this please go to

HIGH SCHOOL INFORMATION DAYS

The year may have only just started but the high school process for students going to high school in 2015 is about to start. Many high schools have an open morning/afternoon for parents and students to visit and see what the schools have to offer. The dates are as follows:

Arthur Phillip High School (Co-educational) 9635 8638 do not hold an open day
Ashfield Boys High School 9798 6620 3 March 6.30pm
Birrong Boys High School 9644 5200 3 March 4pm-6pm
Birrong Girls High School 9644 5057 5 March 10.30am-12.30pm
Burwood Girls High School Info evening 9747 3355 2 March 7pm
School Tour 5 March 9am
Concord High School (Co-educational) 9745 3777 4 March 5.30pm-7.45pm

Strathfield Girls High School 9746 6990 4 March 6.00pm
Parramatta High School 9635 8644 11 March 3.30pm
Strathfield South High School 9642 4422 25 February 3.00pm-6.00pm

PARKING AROUND OUR SCHOOL

It was very exciting to see our new flashing lights installed on John Street last week to help remind drivers they are entering a school zone.

Don’t forget to park within the marked spots when parking your car. Like all schools, parking space is at a premium and parking across two spots is very frustrating for other parents trying to find a spot to stop.
HEALTHY RECIPES

The simplest way
...to make ice blocks.

Summer afternoons are hot and sticky in Australia, and kids come home from school tired and hungry. Get them eating fruit with these super easy, fruit-filled ice blocks...

Place any combo of finely diced fruit into moulds like: mango, blueberries, strawberries, watermelon, rockmelon, kiwifruit, drained canned peaches, apricots or pineapple in natural juice, or passionfruit pulp. Top with a fruit juice of your choice then freeze until solid – at least 4 hours, or overnight.

The simplest way
...to stay healthy in summer.

Here are some fun ways to get your kids eating more fruit - veg this summer...

• freeze fruit or mint leaves into ice cubes to chill + flavour water
• add vegie sticks whenever you have a dip
• throw some veg on the BBQ – e.g. capsicum, tomato + zucchini
• keep a tray of fruit pieces like orange wedges or melon slices in the fridge for quick snacks
• freeze bananas, peeled and wrapped in gladwrap, your kids will love the ice cream taste...

PARENT CRAFT GROUP

Our first Parent Craft group will be next Monday, 1pm – 3pm in Lidbury Hall – children welcome.

This week we will be creating a lovely “Envelope Book” perfect for storing bills/Safety Learning Respect awards/money for saving – anything you choose.

All materials and tools will be supplied but there will be a small charge to cover these costs. This is a good opportunity to meet other parents, chat, and learn how to create some beautiful craft items.

NEW LIDCOMBE PUBLIC SCHOOL FACEBOOK PAGE

Did you know we now have a Lidcombe Public School Facebook page. Don’t forget to like us and keep up with what’s happening at school.

PARENT EXCURSION – FOOD TOUR OF BANKSTOWN – 18 MARCH

It’s not too late to get your name down for our parent excursion coming up in March. If you love food and like trying new things then this is for you. Our food trek through Bankstown will take us to Europe, Asia and the Middle East. We will explore a spice emporium that will stimulate your senses, journey through China and Vietnam, travel to Lebanon for lunch then finish in Greece for delicious desserts. (Food and transport costs at own expense.)

PARENT EXCURSION EXPRESSION OF INTEREST

Please return to Julie Rush in the office by Monday 9 March

I would love to come along on the Parent Excursion “Food Tour of Bankstown” to be held on Wednesday 18 March. I will be bringing ………… additional people along. (Children welcome.)
